### **AN APPEAL FOR SPONSORSHIP**

Dear Sir,

It gives me immense pleasure to inform you that Indian Resins Manufacturers Association (IRMA) has planned a seminar on "Resins - Today & Tomorrow VII" on Saturday, 25th September 2010. The theme of the Seminar is "Challenges & Opportunities".

The seminar will cover technical as well as management subjects related to Resin Industry. We intend to invite well-known and distinguished speakers from Industry and Academia. We are sure that we will have a very large gathering from Resin Manufacturers and Associate industries.

As you all know, IRMA, an association of Resins Manufacturers and Raw Material Suppliers, has its reach all over the country. We are confident that this seminar will certainly draw considerable interest and attention of all IRMA members and members from other user industries like Surface Coating, Paints and Printing Inks, etc. We expect over 250 delegates from various parts of the country to participate in this event.

A large scale event of this nature can be successful only with whole-hearted cooperation, patronage and financial support of well-wishers like you. We know that, in the past, you have supported the cause and you will continue to do so for this seminar also.

Our executive committee members will call on you and request for your generous sponsorship. I am sure, you will not disappoint us.

Thanking you in anticipation of your goodwill.

Yours sincerely,

Mr. Ballal Chandrachud
